

GET EXPERT ADVICE

to help you achieve *the retirement you want*

NorthStar Retirement Advisors provides participants in the Sprinkler Industry Supplemental Pension Fund with practical, personalized retirement guidance.

We'll work one-on-one with you to:

- » define your long-term goals and objectives
- » create or review your investment strategy
- » calculate future retirement income needs
- » help in determining tax efficient ways to receive distributions from the plan

Schedule a complimentary retirement consultation today.*

Call Karen McCloskey, Participant Investment Consultant,
at 1-866-227-0109 or email kmccloskey@northstarra.com

*There is **no cost** for the first two consultation hours used during a calendar year. If you exceed two hours in one calendar year, your SIS Pension Fund account will be charged \$175 for each additional hour of service.
